

43rd Annual ASDAL

Conference Call for Papers

*June 27-29, 2023,
Adventist University of Africa, Nairobi, Kenya*

The 2023 Conference Committee invites presentation proposals for the 43rd annual conference of the Association of Seventh-day Adventist Librarians, to be held June 27-29, 2023, on the campus of Adventist University of Africa in Nairobi, Kenya. The theme of the conference is **Library Research and Internationalization**. We encourage proposals that explore the role of libraries and librarians in a global research environment. Possible topic areas include:

- Ongoing research projects
- Collaborations with researchers in different disciplines
- International cooperation between librarians
- Building international collections and resource sharing
- International research methods

The Committee is accepting proposals for the following types of presentations:

- Research Papers – sharing completed or ongoing research projects
- Position Papers – advocating for a particular viewpoint on a topic
- Poster Presentations – visual presentations highlighting new approaches to library issues

Proposals should consist of the presenters' names and institutional affiliations, brief presenter biographies, a presentation title, the format of the presentation, and an abstract of 200-250 words describing the presentation topic.

Please submit proposals to Michelle Carbonilla, ASDAL President-Elect, at MOCarbonilla@aup.edu.ph by **January 30, 2023**.
